

May 1, 2020

Dear grade 12 students, parents and guardians,

As a result of COVID-19 and the cancellation of all large events by our Provincial Health Officer, the Central graduation ceremony planned for June 4, 2020 at Mission Creek Alliance church will have to be changed. The Central school graduation committee is currently developing alternate plans to create a memorable experience for our graduating students. It is the aim of the committee to recognize our graduates this June and not postpone the event. We encourage all of our grade 12 students to continue to work with your teachers to move your learning forward and complete the courses required to graduate. We will provide updates on graduation 2020 procedures, on our website, as details are confirmed. We will also send out email updates to graduating students, parents and guardians. If you have any questions, please do not hesitate to contact our grad coordinators Mr. Kelly McRae at [Kelly.mcrae@sd23.bc.ca](mailto:Kelly.mcrae@sd23.bc.ca) and Ms. Ramona Sousa at [Ramona.sousa@sd23.bc.ca](mailto:Ramona.sousa@sd23.bc.ca)

Sincerely,

Randy Horne

Principal
